- Weight: 0.24 kg
- Gross weight: 0.34 kg
- Blister dimensions (WxDxH): 135 x 39 x 195 mm
- Packaging type: clamshell
- Product dimensions (WxDxH): 56 x 100 x 16 mm

Power
- Battery type: AAA size (LR3)
- Battery voltage: 1.5 V
- Number of batteries: 2

Audio Capturing
- Audio file format: WAV
- Built-in microphone: mono
- Voice recording: ADPCM

Green
- Lead-free soldered product

Storage media
- Built-in memory type: NAND Flash
- Mass storage class compliant

System requirements
- PC OS: Window 2000, XP or higher
- USB: free USB port

Highlights

DAB
DAB (Digital Audio Broadcasting) digital radio is, on top of FM analog transmission, a new way of broadcasting radio via a network of terrestrial transmitters. It provides listeners with more choices and information delivered in clear and crackle-free sound quality. The technology allows the receiver to lock on to the strongest signal it can be find. With DAB digital stations there are no frequencies to remember, and sets are tuned by station name, so there is no returning on the move.

1GB* built-in memory
1GB* built-in memory

Large backlit LCD display
Backlit LCD display ensures easy viewing and operation in low light conditions, and provides clear information at a glance.
